- Certified for the following **HP Solution Elite** qualifications:
  - Data Center
  - High Performance Computing
  - Open Source Solutions
  - Virtualization Solutions
  - Microsoft Unified Communication (Exchange)
  - Public Sector
  - Business Critical Systems
  - Graphics Elite Design
  - Office Printing Partner
- Certified Professionals
  - Four (4) HP Master Accredited System Engineer (ASE) SAN Architects
  - Five (5) Master ASE ProLiant HA & Clustering Engineers
  - Two (2) Master ASE ProCurve Networking Solutions Engineers
  - Two (2) Integrity (UNIX) Certified System Engineers (CSE)
  - Five (5) BladeSystem ASEs, ProLiant ASEs
  - Two (2) OpenView Accredited Systems Specialist
  - Five (5) VMWare Certified Professionals
  - Three (3) Microsoft Certified System Engineers
  - Four (4) Red Hat Certified Engineers (RHCE), Novell SuSE (CLA, CLP)
  - Three (3) Citrix Certified Engineers

# Products & Services

# Hardware Demo Center Capabilities

## Servers

- HP c-Class BladeSystem – Multiple c7000 and c3000 (Shorty) Enclosures
- Multiple Blades BL260c, BL2x220c, BL460/5c, BL680/5c
- Multiple DL360/5, DL380/5, DL580/5, DL160/5, DL140/5

## Storage

- EVA6000, EVA4400, MSL Tape Libraries
- Command View Software, Snapshots, Clones, DR with Continuous Access
- Fiber Channel Switches from Cisco, Brocade and HP Virtual Connect

## Networking

- ProCurve 5400, 2600 and 1800 Series Switches, Secure Routers, and Access Points
- ProCurve Management Software Suite
- Cisco, Virtual Connect (VC) Ethernet, Blade Network Technologies, Pass throughs

## Thin Clients

- Linux Embedded
- Windows XPe
- Multiple Monitors & VDI Brokers

# Solution Demo Center Capabilities

## Virtualization

- VMotion, Dynamic Resource Scheduling, High Availability Failover, Creating VM's, Windows hosts, Linux hosts, Planned Downtime, VM Workstation and ACE, VMware Lab Manager

## Software

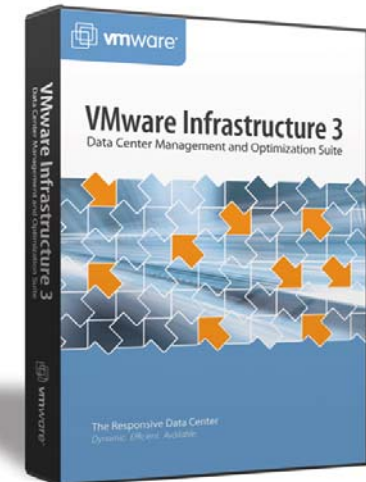

- Microsoft, RedHat, SUSE, Citrix, Veritas/Symantec, NAS, All-In-One NAS, Host Based Replication with HP Storage Mirroring Software, Polyserve, Left Hand, Sherpa, Ocarina Networks, Librato

## Evaluation

- HP evaluation equipment for onsite proof of concepts

## HPC

- Microsoft CCS Cluster
- Linux Clusters
- Remote Graphics Solution

# Top Enterprise and Commercial Accounts

- Agilent Technologies
- AMD
- Ariba
- AT&T/SBC
- BroadLogic
- Cadence
- Celerity
- Complete Genomics
- CSU Monterey Bay
- Dionex
- Driscoll's
- eHealth Insurance
- Enloe Medical Hospital
- Frontier Wind
- Genentech
- Gilead Sciences
- Hewlett Foundation
- IronPort/Cisco
- KLA-Tencor
- Kronos
- LiveOps
- LSI Logic
- LucasFilm
- Marvell Semiconductor
- Mentor Graphics
- NEC America
- NetApp
- Rambus
- Raytheon
- SCM Advisors
- Sephora
- Serena Software
- Smart Modular
- Sonic Solutions
- SonicWall
- Stanford University
- Stratify
- Superior Industries
- Synnex
- UC Berkeley
- UC San Francisco
- Unisys
- USGS
- WebEx/Cisco
- Wind River
